Dear Madam:-

In reply to your letter of March 15th., we are somewhat at a loss to know how to fill your order. The best fertiliser for enriching lawns is our Pulverised Sheep Manure, and it requires about two thousand pounds to the acre, or twelve pounds for three hundred square feet. The price for twenty-five pounds is 60¢, we can deliver this quantity at Mayville, including freight for \$1.00. Price, 50 lbs. \$1.00; 100 lbs. \$1.75; 2000 lbs. \$30.00 F.O.B. Rochester. Before shipping we would like some definite information regarding the quantity desired. If you think twenty-five pounds is sufficient we will ship it immediately upon receipt of your reply.

Very truly yours,

JAMES VICK'S SONS.
