Mrs, Emma W, Tourgee

Washington City D,C,

My Dear Madam:--

Your valued favor of the 15th ,to hand (for which please accept thanks whether i rent your property or not) I had not thought of renting a House in Washington untill at least before the beginning of next year my Wife and i have engaged Rooms at a Hotel until the first of the year but possibly that could be canceled for a consideration,if you and i could agree on the consideration that i should pay you for your property but as you know i do not take my seat in Congress untill the first monday in December next,if you will kindly write me the lowest rent you would care to take for it and the time you would expect the rent to start from i shall be pleased to take the matter up with you and possibly go on to see the premises

Very Respectfully Yours
