HOUSE OF REPRESENTATIVES

WASHINGTON

Dodge City, Kansas, April 24th. 1907

Mrs. Emma K. Tourgee,
2015 Kalorama Road,
Washington, D. C.

Dear Madam:-

Your recent letter at hand. I would certainly be very grateful if you would make up and account of expense that will be incurred by a family of six in Washington. I do not like to impose such a burden on you, but I cannot refrain from saying that it would be highly appreciated. We shall certainly go and see your place when we are in Washington. We do not doubt but that it is a lovely place and that the location is all right from what you say.

I wish you would give us your New York address so that I can write you after having been at Washington.

Thanking you heartily for your kindness in this matter, I remain,

Yours with respect,

E. H. Madison
