

Wanceyville N.C. Feby 8th 1869

Wm A. W. Saunders

Dear Sir

Your decision  
in the case of Eliza Edwards vs Bric  
Harrison also yours of the 27th January  
directing me to administer the Insolvent  
Oath to Nathan Hedges &c were duly  
received. I immediately administered  
the Oath to Hedges &c was accordingly  
released. Being very busily engaged in  
preparing my Dockets for the Spring  
Court I unintentionally lost sight  
of the fact that it was my duty to have  
acknowledged the receipt of your  
Decision immediately. Hope therefore  
that you will pardon me for this  
seeming negligence in not acknowl-  
edging its receipt as required, as it  
was altogether unintentional

Very Respectfully  
W. A. W. Saunders C. S. C.
