H.C. BURCH, PROPRIETOR.

Washington, D.C. May 5th 1907

My dear Mr. Loring
When I came on to
Washington with my husband
for the session of the
Society of the Army of the
Potomac, our visit of the
McClellan statue, my
widowed sister Mr. Harry
W. B. Howard asked me
please to find your address
& tell you that on Monday
or Tuesday a man will
call at your house for the
Chair - which you had not
yet - As you said in your
last letter it is not just
as our Mr. Howard has
many associations with

One which my brother
brought - at the breaking up
of the Continues-Office - &
afterwards gave to his wife -
Of your very kind writing
Mr Howard's serious illness
& death just at the time
you were writing prevented
Mr Howard's doing anything -
My husband's Clip matter
Mrs Anatin King will send
a Gallington man to
create & send the chain
C. O. D. so as to give you the
least trouble -

I will say Sunday
afternoon, so you may have
it ready to be sent

Yours truly

Estlin Howard King
