Dear Mrs. Tourgie:

Your favor of the 6th is recd. with your interesting account of the way the Consular Reports were prepared under difficulties.

J.R.H. came in as I opened & read your letter. He returned about two weeks ago & may be addressed at Hillside House, Montclair, N.J.

The stock of *Soal's Errand* & *Bricho* are exhausted & there seem to be no sheets left after all.

There is a small, continuous
demand for these, probably
from libraries newly formed.

It might pay you to
print & bind 500 of each.

Possibly you can answer
the enclosed from Rochester.

Herewith I return the slip
from the Evening Post & thank
you for sending it.

Truly
Yours,
Geo. S. Hulbert
