Dear Madam;-

We have your very kind favor of the 8th, in reference to "An Outing with the Queen of Hearts", and thank you very much for the information contained. Our customer will doubtless be willing to wait that length of time to secure the book, and in connection with this would you also be kind enough to advise if you can supply us with his other works, namely "Bricks Without Straw", "Fool's Errand" and any others which you may have? If you will kindly advise us in this matter, stating price to us, we will be pleased to take the matter up with you further.

Thanking you for your trouble in the matter,
we remain,

Very truly yours,

Scranton, Wetmore & Co.,
