THE ALDINE
CHAUTAQUA, NEW YORK

May 21/07

Dear Mrs Dwyer

I enclose you the
lease Judge Van Dusen
has drawn, if it meets
your approval please sign
and return one to me.

It is poor farming weather.
The ground is frozen hard this
a. m. I have planted 2 acres
to oats, timothy and alsike
& have land ready for potatoes
& corn, but wait good weather.

Just you and Ladi are
enjoying balmy Spring, we
are tired enough of winter

Ever truly yours

L. De F. Jennings
