Mrs. Emma K. Tourgee,

Mayville, N. Y.

Dear Madam:—

Your letter just arrived and I am very glad indeed that the urn arrived alright and that it pleases you so much. I am delighted to learn that it is larger than the one sent from Philadelphia. Whoever sent that, doubtless failed to look into the matter of a reservoir, and I believe it would pay you to call their attention to that lacking. They may be able to make a proper charge, at a very small cost, with the firm from which they purchased it. As I have no money to pay for the photographs, I will have to wait until such a time as some one else may see fit to have the Judge's lot photographed in order to get one from which to have the cut made. The making of the cut would cost me at least six dollars. Therefore I will have to depend upon some one else for the photograph.

Yours truly,

H. C. Smith.
