Mrs. Emma H. Touger,
Mayville, N. Y.

Dear Madam:-

Your note to Mr. H. H. Fisk re-
garding a house to rent was
turned over to me, as I was the
person wanting a house. I have
the inside management of The
Sentinel, but at present live at
Chautauque. I wish, however,
to move to Mayville in the fall
not later than Nov. 1st, though I should
like to move soon after Sept. 14,
the time when my present lease
expires.

I would like a cottage of 6 or 7

3 rooms, but could get along
with five, as we have two fold-
ing beds which could occupy
places in the sitting room and par-
lor.

If you wish to know about the
way I care for the house I oc-
cupy, you may write to Mrs.
C. Brightman, Sherman, N.Y., as
she is the lady from whom I
now rent.

After communicating with her,
kindly drop me a note stating
the amount per month you will
want for your house and whether
it will be vacant by Oct. 1st, and
you will oblige.

Yours truly,
Geo. A. Truax
