Mrs. A. V. Torgoe,

Mayville, N. Y.

Dear Mrs. Torgoe:-

We are just in receipt of your postal card of the 5th inst., in answer to ours of the 31st of July, regarding the printing of calling card which you thought was too high. We would like to serve you very much, and if you would tell us the price you have been paying, we are quite confident we can meet any price that any other house in the country can name, as we execute all this work ourselves on our own premises, being one of the few establishments in this country that are so well equipped for work of this class.

We would be very much pleased to have you write us in return mail, naming the price, for which we inclose you a stamped addressed envelope for your convenience in answering.

Very truly yours,

*Peter Paul & Son*
