M A Y V I L L E,

Chautaugua Co., N.Y.

Dear Madam:-

In reply to your letter of the 21st instant we beg to say that we believe that the only lines of steamers from this country to Nassau at present are:

The Royal Mail Steam Packet Co.,

The New York & Cuba Mail S. S. Co.

These steamers sail from New York.

In the Autumn and Winter the Peninsular & Occidental S. S. Co., in connection with the Florida East Coast Railway, dispatch steamers from Miami, Florida, to Nassau.

We enclose advertisements of these several lines.

Very respectfully,

Boulton Bliss & Dallett
