CONSULAR SERVICE, U. S. A.

Mrs. Tompce

My dear Madame

I find that the owner of  
home no. 1 is going to occupy  
it himself this winter.

The owner of No. 2 says  
his price is \$800 for  
to Mrs. He at first  
said \$900. If I were  
preparing to live in it - I

2.  
I should think \$50 quite  
high enough. The owner  
name is  
Frank Duncombe by  
West Hill Street  
Narasan N.P.

And if you wish his home  
the sooner you communicate  
with him the better.

The home is fully furnished  
according to Narasan ideas.  
Wicker chairs etc. not very  
beautiful, but fresh and

clean. I think you will find linen, clean  
the things & in the kitchen. If you are coming  
in November it will be by the West coast  
and you will get 3 P.M. (generally) Friday evening  
early on Tuesday morning. As to clothes it is  
harder than the previous. If you let me  
know what to expect - you I will do my  
best to transfer to the steamer.  
If there is anything more

You would write to ask of  
price for the Keen.

Yours very truly
