SAMUEL B. MURDOCK,
PASSENGER AGENT

PHILADELPHIA, PA., Aug. 30, 1907.

Mrs. E. K. Tourgee,
Mayville, Chautauqua Co.,
New York.

Dear Madam:

Your favor of the 23rd inst., addressed to the Florida East Coast Railroad, New York, has been referred to me for reply, Mayville being in my territory.

As yet, I am unable to advise you what the round trip rates will be to Nassau, N.P. during the coming Season, but as you state you wish to go in November I would be glad to have you write me the first part of October, when I will be in position to give you the rates. I have no occasion, however, to think that they will be any less or more than last year; the rate from New York City to Nassau, N.P., being \$98.00 for the round trip; from Philadelphia \$94.00, and from Washington, D.C., \$88.00, via Miami and steamship from Miami to Nassau. These rates include meals and berth while at sea, but as stated above, I am unable to say at this time whether or not the rates will be the same for the coming Season.

If it is your intention to go to Nassau this coming Winter, I would be very glad to have you use the "SEABOARD". We can give you first-class service in every respect, and the quickest schedule, and I know that our service will please you.

Winter Tourist Rates go on sale about October 15th, which are good until May 31st, next, and allow stopover privileges of thirty days in each direction, within the transit limit, but I will be able to give you all the details necessary for the trip if you will write me during October. There is no reduction in any way for parties of four or five persons on any line throughout the South, the same rate applying to each person.

Trusting to hear from you at a later date, I beg to remain,

Yours very truly,

J. J. Puller
D. J. M. A.
