Dear Mrs. Georgia. You favor re-
ceived - and I can assure you
that the telephone Co. will be
moved out on Oct. 1, as they
have engaged quarters up town
and are preparing to move.

In regard to furniture would
say - that I saw Mr. Greenold -
and he did not think he
wanted to buy any of it how-
ever we will see when we
come to move. There may
be something he will want

Very truly yours
C. R. Cipperly
