Sir:

In settling up the estate of the late Consul at Bordeaux, France, Albion W. Tourgée, I find a claim against you of \$50.00 fee as Commissioner to take testimony in re the will of Madame Henriquez in March or April, 1904.

This fee was accepted by you, which you said would be paid in due time. More than three years have elapsed and I am informed by the then Vice Consul at Bordeaux, who wrote you about this matter after the Consul's death, that nothing has been heard from you and that you have wholly ignored all letters which have been sent you regarding it. This matter must be attended to without farther delay. I trust you will not force me to use extreme measures.

I am, Sir,

Very truly yours,
