Dear Madam

I received letter containing
chk. this morning for which, I thank you
very much. I am however very sorry, that
you think, I charged you an excessive price
for the work, as I thought it was quite
reasonable, considering, the amount of work
we done, figuring car fare and everything.
concerning the quality of the work, I think
the man simply got a 1/2 days work
out of it, as it was packed and crated
as well as any thing ought to be, to be
shipped with safety.

respectfully yours
Chanson
