Madg Sep. 30/07

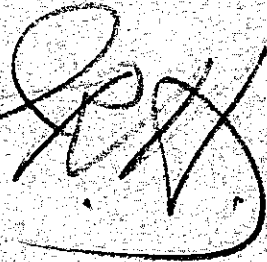

I have looked up last
pt of "Fool" & "Bnky" (Apr. 1902)
the paper was 30 1/2 x 41 = 70, narrow
leaid. You may want to send
that was (as per my letter sent
you yesterday & read this morning) to
Mrs Touge for her new pt of
of "Butter's Iron".

Then, if you have a copy
of "F" or "B.", you can give her
the size of trimmed page, ^{*} ~~at the~~
probably, knows the scarlet cloth
in it. They are bound.

* P.S. It is 5 1/8 x 7 1/2

gilt top, rough trimmed.

Rough canvas scarlet cloth.

Dear Mrs. Tourgie:
I can do no
more than concur in
what Mr. Howard has
written which I heartily
do.

Your memory about
the negotiation & the action
is applicable to the two
sets of plates sold at
auction to Street & Smith &
afterwards purchased by
my negotiation. Truly

J. H.
