Dear madam:-

Replying to your of October 5th. we regret exceedingly that you are unable to get consistent results from your BRIEN HEATERS. We feel very confident that there must be some error in its installation. We regret also that your confidence in Mr Albro has been jarred. Our agent in Jamestown, Mr W.W. Wilson enjoys a thorough knowledge of BRIEN HEATERS and we think it might be well for you to address a letter to him, asking him to call and look your property over.

Whenever Mr Brien is going to Mayville, we will invite him to call upon you and if you have not already accomplished good results we will find out your difficulty and direct you how to best remedy same. Please rest assured that we will keep you in mind and do what we can to aid you in getting good service from your BRIEN HEATER.

Respectfully yours,

Dear Madam:

We had prepared an estimate regarding an edition of "Button's Inn", and it was completed a few days since, but put upon file until Mr. McIntyre, who has charge of such matters, returned. We were just about to write you when we received your telegram.

We shall be pleased to print an edition of five hundred copies of "Button's Inn", and supply to you at twenty-five cents per copy. The folding will be two cents per copy additional, and the whole edition would have to be folded up. The binding, in cloth, would cost about eighteen cents per copy, but if you preferred you could have the books bound in two lots of two hundred and fifty.

We shall be glad to hear from you in regard to the matter as soon as convenient.

Yours very truly,
