Mrs. Emma K. Tourgée,

Mayville, Chautauqua Co., N.Y.

Dear Madam:

I am in receipt of your letter of October 14th and, in reply, beg to advise that the round trip rate between Mayville, N.Y., and Nassau, N.P. will be \$100.00 --- tickets good until May 31st, next, and allowing stopover of thirty days in each direction, but allow stopover privileges South of Jacksonville, Fla., any length of time within the final limit of the ticket, --- which is May 31st.

Tickets through to Nassau, N.P. do not go on sale until the first of January, as boats from Miami to that point do not commence running until about that time. If it is your desire to leave earlier than the first of the year, I would suggest that you purchase round trip ticket from Mayville to Miami, Fla., for \$74.00, with same limit and stopovers as above. You would then have to take your chance of securing some steamship service to Nassau, which we are not familiar with --- the only line with which we are acquainted being the P. & O. S. S. Company's steamers, which start sailing after January first. Probably your friend in Nassau could arrange this for you.

I am enclosing you, under separate cover, one of our Winter Tourist Booklets and a time-card, from which you will note the schedules in effect to Miami, Fla. at the present time, but no doubt there will be somewhat of a change in these schedules between now and November fifteenth.

If there is any further information I can give you in connection with your trip please do not hesitate to command me.

Yours truly,

District Passenger Agent.
