Mrs. Emma K. Tourgee

Mayville, N.Y.

Dear Mrs. Tourgee:

Your favor of the 24th ult. has our attention.

We certainly shall not care to publish any further edition of "Letters to A King" under the royalty contract for the low price which we have had to place on the book would prevent our paying any more than the 5% royalty which we are now giving you. In view of this fact, and inasmuch as the plates will be practically useless to us, we have concluded to reduce our price to you to a figure that practically represents the old metal value of the plates, and will accept \$25.00 for the plates complete, with all of our rights.

Upon receipt of your order, with the amount named, we will pack the plates and ship them as you may direct. Transportation charges to be at your expense.

Yours truly

Jennings & Graham
