Dear M^{rs} Tourge.

I did not answer
your letter last mail
as I was rather busy &
knew there was no hurry.
The custom here is to
pay the rental on
taking possession & I
would prefer that, but

if it is at all inconvenient
you might pay half on
taking possession of the rest
the next two months in
advance.

Will you kindly let me
know what steamer or
sloop I say time you
expect to arrive in Nassau

Yours truly

G. Durcombe
