M. A. Lyon Esq.,

Westfield, N. Y.

Dear Sir:

I have your favor of even date.

The plan of payment you propose is satisfactory. I only thought of the other because of absence which would make monthly payments perhaps inconvenient.

I will give you exclusive right of sale in Westfield, and you can therefore do what advertising you see fit on your own account. I am having some large posters printed here and will furnish you some if you desire.

I am leaving this afternoon for an absence of a few weeks in Washington, so have not time for much of a letter. You can let me know about how many copies you would like sent you from Matthews-Northrup, on my return.

We are having all the county papers put in a notice of the new edition of the book, but hardly think shall persons in each town handle it.

I am, Sir,

Yours very truly,
