July. 17. 1869

Dear Judge.

This pretty city
was reached in safety after a
trip of eighteen hours. averaging
15 miles an hour. As the trip
was enough to sicken experienced
travellers. you may imagine
how upset Mrs. Chur was. and
how interesting she looked as her

arrival here. A days rest
has about restored her to a set-
tled basis and to morrow we
move on again. Our friends
of the 8th Infy are all here, and
we enjoy their society very much

I intended writing a letter
of acknowledgement on Monday
last. in answer to the cheepskin
I received. but was so busy with
calls from kind friends & doing
up last boxes. that I did

not finish. When I get to
my new home. I will do it.

With kind regards to all

Yours truly
Jacob F. Churr.
