Dear Mrs. Tourgee:-

I received your note inquiring in regard to the Veteran and his Pipe, and wrote to Mr. W. B. Conkey, of the firm of W. B. Conkey & Company, asking him about all the matters to which you referred. I enclose you his reply as it states the matter clearly and fully.

As for the contract with Belford, Clark & Company, I really can tell you nothing about it. I have no copy of it and do not recollect the terms. Whatever the royalty was I think the same was paid over to the Judge as collected, but the whole matter has been so long ago and I have had such a strenuous life since that time that my recollections in regard to it are not definite at all.

I am glad to hear from you once more, and I hope yourself and daughter are in the enjoyment of good health, and if I can be of any further service to you in this matter or any other, I shall certainly be glad to aid you.

Very truly yours,
