

10315

Mayville, N. Y. November 30th, 1907.

If the Telephone Company do not wish to continue paying rent for my premises on Erie Street, would they kindly put me in possession *of the same* by handing over the key that I may be able to get at the repairs which have been so long delayed, also pay up the rent to December 1st, 1907.

E. J.
