Dear Madam:-

Replying to your letter of the 2nd. inst., the best bulb for house culture, grown in water, is the Paper White Grandiflora Narcissus described and priced in our Fall Catalogue, a copy of which we are mailing you to-day, under separate cover. These are less expensive than the Chinese Lilies are very fragrant and have much large flowers. Price forty cents per dozen; one dollar and seventy-five cents per hundred.

Very truly yours,

JAMES VICK'S SONS.
