Mayville, N. Y. December 12th, 1907.

Thursday p.m.

Otto Ulrich Company,

Buffalo, N. Y.

Gentlemen:

In response to your recent letter, (without date) you may stamp for me 10 quires of the paper like sample of narrow mourning border and send me envelopes to match.

If you can make reduction in the price given by the ordering of such quantity, please do so. We have a good deal of use for stationery matter and would like to have a house in Buffalo on which we could rely to fill orders promptly and reasonably. We have dealt for many years with Otis Brothers, -- now our of business I believe.

I would like this order filled by December 20th, 1907.

I am, gentlemen,

Very truly yours,

E. K. J. —
