

Health over 100

was to see a doctor day after
day, but I was not obliged to
do so, as the trees had died, -
I will give the collection of
these trees to you, and you will
send a dozen of the earliest
specimens of each and one dozen
of each to the other 2 of each
variety, - I will also send
for the seed of the same from the

which region I fail to know, as I have
 seen the, where
 all the
 of
 the
