Mayville, N. Y. January 9th, 1908.

Thursday p.m.

Dear Mr Cipperly:

As the Telephone Company ignore my repeated requests to be put in possession of my building, I send them the enclosed letter which though you may be as you say but a small stockholder in the concern, I trust you will see is called to the attention of the proper authorities.

As a preliminary to farther efforts to have a settlement of this exceedingly annoying and disagreeable matter, I have been advised to send this letter by one of the best lawyers of the state to whom the controversy has been referred.

The early attention of the Telephone Company to this matter, is requested.

Very truly yours,

E. K. J.
