Mrs E K. Tourge

Friend Emma

As you requested I have sold the cemetery lot & have drafted a sort of a deed & should of got a type written one but Mr Critenden help was sick & could not do it this week, so I will mail you the form that I have & you can get it fixed up sooner than I can & do not think it necessary for your sister Dama to sign it

If you do you can  
make the change &  
return to me & I will  
try to see that all things  
are right I could not  
consult you in regards  
to the sale as the  
party wanted it for  
mediate use & it is  
already in use. I hope  
that it will <sup>be</sup> satisfactory  
to you

It will be necessary for  
you to acknowledge in  
the presents of a notary

here for Burial last month

about as usual

in our usual health

one of our old fassion  
Lak Shore blizards the  
worst is over for the  
present we hope.

since aged about ninety
