Dear Mr. Lawrence. Your note was received - and I have acknowledged the deed and mailed as requested. Mr. Griswold was home Saturday night - first time since I received your letter of July 9 and instructed me to ask who your attorney is that we may consult with him and arrive at some settlement of ^{the} ~~the~~ matter. We wish to be fair in the adjustment - but would like to talk it over with some one in order to arrive at a settlement.

Very truly yours

C. R. Cipperly
