Mayville, N. Y. February 17 th, 1908.

Monday a.M.

Dear Mr Cipperly:

I simply must have some answer from The Telephone Company about the matter which I have vainly tried to have settle for weeks. The parties who desire to rent the building want it by March 1st, and are impatient for an answer, as I can give them none until there is a settlement with the Telephone Company, who are only increasing their liabilities by this delay.

Very truly yours,
