

My dear Mrs Tuzee

I am exceedingly glad
today my copy of "Gauguin & Smellow"
I value it very highly for the
presentation, in the Judge's own
hand, and also for the contents &
I always thought it one of
the Judge's most interesting
books & I think a new edition
well advertised, should do
well & when you are through
with my copy kindly return it,
as I would not lose it for anything
Your friend Adeline Keese
