

OFFICE OF
M. J. CARLSON,
— DEALER IN —
ANTHRACITE and BITUMINOUS COAL
MAYVILLE, NEW YORK.

March 9 1908.

Mr. C. K. Tanager
Mayville N.Y.

Dear Madam

I have your letter of the
7th inst enclosing check of \$30.⁰⁰
which I have placed to your credit
with thanks, also an order for
5 tons furnace coal.

I note what you say in
regard to price. If you bought coal
of Madigan Co for \$5.⁷⁵ you must
have given him the order last
April. I have been filling a
number of his orders lately all
at \$6.²⁵ per ton. I have never heard
before that he sold below the circular
price. I can not sell coal
for less than \$6.²⁵. Please advise if
you wish me to deliver the coal at this
price and oblige, yours truly
M. J. Carlson
