Timbey's Book Shop,

Conneaut, Ohio.

Dear Mr Timbey:

I think you told me that you could get any book that any one wanted, and as I am on the quest without success at several hand second-book-stores for a copy of one of my husband's books, now out of print I thought I would appeal to you.

This volume is entitled "With Gauge & Swallow", and was published by Lippincott in 1891. They have since gone out of business and the plates were melted up. Please let me know if you think you could find this volume for me. I have sent to Leary's in Philadelphia and to several friends to look for it in other second hand shops.

I am, Sir,

Very truly yours,
