BOSTON, March 30, 1908.

Mrs. Emma K. Tourgee,
Mayville,
Chautauqua County, N.Y.

Dear Madam:

I have your letter of March 28th and am also in receipt of your late husband's book of stories entitled "Gauge & Swallow Attorneys". I will take up with our publishers the advisability of making a reprint. I notice that the last copyright was in 1889, by J. B. Lippincott. Are you the proprietor of this, or has it expired without renewal?

Yours sincerely,

S. R. Wrightington

MAB.
