Dear Mr. Loughe

I received yours of Feb'y 27<sup>th</sup>  
but did not write Mr. Conkey as  
promptly as I should have done &  
when I did write him I received  
a reply from his company saying  
Mr. Conkey was away but that as  
soon as he returned it would be submitt-  
ed to him - This morning I am in re-  
ceipt of a letter from Mr. Conkey  
which I enclose - He is willing  
to give up the plates - He claims to have  
no copies of the books "to speak of" or hands  
- I think he ought to give you up what  
he has - He has moved his establish-  
ment to Hammond Ind. or I should  
call him

Yours Truly

Wm. Brewster
