Gentlemen:

I enclose check for \$8.50, the balance of your bill.

As to the mistake in the number of boxes of plates of "Bricks Without Straw" and "John Bax", I copied from the list sent me when Fords Howard & Halbert sold these plates, and deposited them with you. I have verified my letter to you with the list and find it correspond with it. So it was their mistake not mine.

I am, gentlemen,

Very truly yours,
