

LAW OFFICES OF  
EDWARD P. GOULD,  
ERIE, PENNA.

April 27th 1908.

My dear Mrs. Tourgee:

Yours just received. On Saturday I rec'd a line from Mr. Kirkpatrick telling me that he had sent you the certificates properly transferred. He apologized for not sending the certificates to me to be forwarded to you. I am glad however that he sent them direct to you. As he does not know me personally he may be excused for not knowing whether I am sensitive or not.

I want to congratulate you on getting this matter straightened out at last. You should never have had any trouble about it.

Mrs. Gould and myself are as well as could be expected under the circumstances of trying to get a new house in such a shape that we are not constantly seeing something that requires fixing or altering.

As to my charges, permit me to say that I have no charge to make for services. I paid out \$2.00 for certificates which I sent to Mr. Kilpatrick and you can send that amount or not and it will be all the same to me.

Mrs. Gould joins me kind remembrances and good wishes for you both.

Most Sincerely Yours,

*E. P. Gould*
