Mayville, Chautauqua Co., N. Y. May 16th, 1908.

Saturday p.m.

Dear Sir:

Would you kindly inform me if in any recent number of your periodical you have had a sufficiently detailed description of the latest guns, either rapid-firing or heavy artillery? If so, I would like a copy of this number of your paper, and on receipt of the same with price, shall be pleased to forward the amount to you.

I am, Sir,

Very truly yours,

E. K. J.
