To the American Consul,
Barcelona, Spain.

Dear Sir:

Would you be so kind as to send me a recent R. R. Map of Spain, or else this information: Is Huesca, in the province of the same name, a railroad terminus? If roads extend beyond this town in any direction, east, west, north, -- kindly inform me where they go and their termini. By so doing you will greatly oblige;

Very truly yours,

Widow of the late American Consul at Bordeaux,
France, Hon. Albion W. Tourgée
