Mrs E. Souger,
Mayville.

Dear Madam, The balance
of your bill \$9⁹⁰ must
be adjusted at once, and
supposed you had settled
with the Co. from whom
the castings were shipped
or I should have attended
to it before, but I had
a letter from the Co. this
morning saying it must
be settled at once.

Trusting you will
send any more inclosures
by remitting at once,

I remain

Yours respt.

W. W. Nelson
