MRS. EMMA K. TOURGEE,

Mayville,

Chautauqua Co., N. Y.

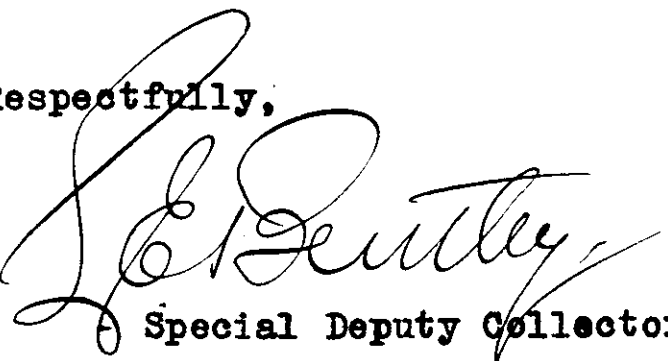

Dear Madam:

Mr. Felix Berhel comes to the custom-house building occasionally and I had expected to see him personally regarding the subject of your letter of the 29th ultimo, but as it appears that he has not visited the building since its receipt I have today written him in the matter.

It may be that his delay has been due to a failure to collect the amount, as it is believed the party owing it is in rather straight ^{ened} circumstances.

As soon as I hear from Mr. Berhel, I shall communicate further with you.

Respectfully,

Special Deputy Collector.

(No enclosure.)
