My dear Mrs Lougee

I delayed writing you
that I could tell you
positive about going to
Chautauque. You returning
from Montucket a
short time ago I fully
expected to go to the lake
after resting awhile but
received word that I am
to have company the
third week in August
so my plans were all changed.
I trust you & yours are
having a pleasant summer

I often think of our
pleasant acquaintance
at the River side
sincerely hope it will
be renewed at no distant
date in the future
with best wishes for the
future of yourself & daughter
I am yours sincerely
Mrs. Lafayette Budd
