The Executor of the Estate of the late

Hon. Albion W. Tourgee,

Mayville, Chautauque Co., N. Y.

Dear Sir:•

Apart from my interest in books as a publisher and bookseller, I have always been much interested in the late Judge Tourgee's writings, especially having had the pleasure, on several occasions, of meeting him personally.

There is one volume of his writings which I had, and lent, and it has been lost. It contained his fishing story, "An Outing with the Queen of Hearts." I have the magazine form as it was originally published, but I want to present to some friends of mine <sup>each</sup> a copy of the volume which contains this story, and although I have looked in the Bibliographies, I have not been successful in tracing it. Can you kindly inform me as to whether it was issued in a separate volume, or published as part of another of his volumes, and if so, can you kindly give me the title thereof? I beg to enclose you stamped envelope for reply.

Yours respectfully,

*Arthur H. Clark*
