Mrs. Emma K. Tourgee,
Mayville, N. Y.

Dear Madam:

I am not a publisher of fiction, but of standard historical works. Quite possibly, however, if the plates are in good condition, and satisfactory arrangements can be made, I might be willing to reprint the one book anyway, of Doctor Tourgee's, namely, "An Outing with the Queen of Hearts," purely from its fishing interest. If you will give me details as to the plates, and other particulars, I shall be glad to take the matter up with you and perhaps re-publish it on a royalty basis.

Is the copyright solely the property of the estate of the late Doctor Tourgee, or is there any complication in regard to the copyright?

Yours respectfully,

THE ARTHUR H. CLARK CO.
