The Arthur H. Clark Co.
Cleveland, Ohio. -

Gentlemen: I find your favor
of the 24th awaiting my re-
turn from a two weeks ab-
sence in Ohio, last night.

I hasten to reply. -

I shall be very glad to have
you put out a new edition
of the "Outing" on a half profit
basis. The plates are mine
no one having any claim or
lien on them being bought by
me from the publishers, Merrill &
Baker of New York. They should be in good
condition, as they have been in
storage at Drurymond's in New York
for several years, - only being sent
can here this Spring. I will send
the 4 boxes of plates to you as soon

next week as I can get around
to it by freight. - and you can
pass on their availability
as I certainly would not
be able to do that
I am gentlemen.

Very truly yours,

E. K. J.
