My Dear Mrs Fourke your letter received and contents noted am sorry your daughter is not able to come here for treatment. Office is 2nd Treat or 13 for \$25.00 would have to charge you \$4.00 to Mayville and go over in the eve. as I could not get away through the day. Should you decide to have your daughter to take treatment, would have to change some of my patients here in the evening so as to have the time will not be here this Friday eve or next Monday eve.

Very Respectfully
