Mrs Laergle

Your copy of Poem
recd, which I appreciate
greatly — What a pity that
we could not have the
writer with us yet he was
not old, as we say one of
The Boys, only cut-off in
his prime.

Oh well I suppose we will
soon be called for the
last time at our reunions.

I can't say it's disturbing
have been near the border
line since Muster out
several times, and am
still committed to be at most
of the reunions for which

I am thankfull, they are the
bright spot in our lives
together with the fact that
our united efforts in the
great army were successful
but also in making brighter
the lives who would have
otherwise been in bondage

We greatly enjoyed meeting
youself and daughter and
listening to you. If Ad Eric
had only been less boisterous
how delightfull it would
have been - Capt. Cummings
was exceedingly generous in
entertainment - and we all
appreciate it. Hoping you
will be able to meet with
us at other reunions ill close
with kind regards

Yours

W H Tobias
